

## Invitation to Children's and Young People's Church Register

February 2019

### To: Children, young people and parents

Children and young people who are part of the church community are invited to mark their membership by adding their names to this register. We will display the names alongside those for people over 16 on the electoral roll. If you would rather we left off your last name, please let us know.

### Who might want to join the church register?

If you've been christened in church, or come along on Sunday mornings, or come to Family Praise or other events we hold in church, or see this church as "yours" then you're very welcome to register.

### Why should I join the church register?

Children and young people are full members of the church who help us learn and grow in God's love. Only people who are 16 or older can join the electoral roll, but we would like to mark your involvement with this register.

### Does joining the register mean I have to do anything?

No! Being on the register is just marking the belonging you already have.
