

# Hope Secondary School

Our God is a true God,  
Just ask Him and he will  
answer your prayers.

Cast your cares on the Lord and he  
will sustain you; he will never let the  
righteous be shaken.

## God is Love

### Hope School Mourns the death of Bishop Suda Devadhar

Dear Bishop Devadhar, time has come to say, with great sadness, goodbye... you left us suddenly and the news was shocking... We tried not to believe that sad news, but the truth was bitter and painful. Your body left us, but your soul, still flying in our school, in every corner and everywhere you crossed during your frequent visits to our school. Our children and staff, will always remember that kind Man of God with his wide smile who used to consider the school in his prayers and visits while visiting the Holy Land. We are sure that you are now in the presence of the Lord and between safe hands.

July 18th, will be always a sad day at Hope School, we will make sure to do something special in that day every year to keep you alive in our hearts and minds.

We will continue praying for you and for your family. We grab this sad and painful occasion, to send our dearest condolences to your family, to your wife; Prema, your daughter; Trina, and to your beloved grandchildren.

May your soul rest in peace. May God inspires your family and your loved ones, patience and solace.

## It is the harvest season: congratulation to our Graduates

It was an exciting moment when the results of the Tawjihi; were revealed; people of all ages went out to the streets, charming, celebrating, shouting, and launching fireworks. The Tawjihi, (high school government exams) represents a milestone in the life of Palestinian students. All the nation are eagerly awaiting the results. Eight out of nine of Hope School graduates passed the exams successfully, the ninth failed in Mathematics. His classmates, and some of their families showed solidarity; once the results were revealed, they visited him at home and encouraged him to grab the second round which will be set before the end of August, 2023. All our graduates applied and admitted to local universities except Amr who seeks to continue his higher education in Germany. Congratulations to all our graduates who were courageous, determined, and self -confident.

### A trip to Jericho

By the end of the scholastic year, the school organized a trip to Jericho, 90 children and 10 staff members enjoyed a full day at "Tiger Land Resort" where they spent a relieving time swimming, playing, entertaining, and making fun. The children were so happy to spend such funny time with their teachers. Damiana, who finished grade 11th, said: "it is necessary to have such fun time before getting back to school. Next year will be hard year for our class, many thanks to the school and principal who organized such trip.

### Remedial Lessons: English & Math.

In preparation for the new scholastic year, the school staff organized remedial courses in English and Math. for students who are moving to grade 12 and expected to be graduated next year. These courses are very important to strengthen the students' abilities and improve their performances. Students and the school administration agreed in labeling next year as the "Year of Excellence" academically and behaviorally. Next year 15 senior students will attend grade 12th. Please pray for them.
