While Jesus was still speaking, suddenly a bright cloud overshadowed them, and from the cloud a voice said, 'This is my Son, the Beloved; with him I am well pleased; listen to him!'  
 Matthew 17.5

**Collect**

Almighty Father, whose Son was revealed in majesty before he suffered death upon the cross: give us grace to perceive his glory, that we may be strengthened to suffer with him and be changed into his likeness, from glory to glory; who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.

**Post Communion**

Holy God, we see your glory in the face of Jesus Christ: may we who are partakers at his table reflect his life in word and deed, that all the world may know his power to change and save. This we ask through Jesus Christ our Lord.

## The Vicar writes...

The eve of Lent presents us with two powerful examples of intense encounter with God. The character of the cloud plays a key part in descriptions of Moses' mountain-top meetings with the Lord, purposely obscuring that which the bystander cannot hope to understand. At the Transfiguration, God's voice from the dazzling cloud on Mount Tabor overwhelms the three disciples with fear. Yet it also provides the explanation they cannot otherwise fathom, clarifying the vision of Jesus in the glory of his Father. Despite the intensity of this experience, however, Jesus' stern words as they descend show the disciples are still far from ready to comprehend its full significance.

(Based on the Gospel for Sunday: Matthew 17.1-9.)
